**Questions for Discussion:**

1. As you reflect on the opening story Bruce shared, list several other things we know we should do, but for whatever reason, seldom takes place.
2. Reread Matthew 4:18-22 and 9:9-13. What other passages come to mind in which Jesus “went out” and connected with people in a similar way?
3. Bruce talked about the guy who fell into a pit. If you would’ve walked by, what would’ve you said or did? (As a society, what do we say or do?) What “pits” do people find themselves in?
4. 5 ways Jesus connected with people were mentioned. Which one stuck out to you the most? Why?
5. Bruce shared 3 ways we can connect with people. List a 4<sup>th</sup> or 5<sup>th</sup> way you’ve seen be successful in your sphere of influence.
6. We generally understand investment accounts like IRA, HSA, 401k etc. What are ways we could invest in a RSA (Relational Savings Account)? Why is a RSA the best investment vehicle on the market? As a group, how many RSA’s could we collectively open up this year?
